Unit 3/ 2 Richard St, The Entrance

Well maintained, favoured location!

This well maintained property has been only occupied intermittently as a holiday home. Balconies facing both north and south provide a choice for sun or shade and allow for cooling ocean breezes. One of the rare units to feature double garaging in this well maintained security complex, known as "Ocean Park", consisting of 18 units spread over two separate buildings set on large grounds, with off street parking available for visitors, there is also a separate large storeroom.

This property presents an excellent opportunity for first home buyers, investors or to continue as a great holiday home away from home. Ready to move in or your choices to modernise, "Ocean Park" is set in quiet surroundings, so handy to beaches and the heritage listed ocean baths.
