

Unit 1/ 35 Ocean Pde, The Entrance

More like a home than a unit!

All the benefits of apartment living along with all the outdoor space that might be found of a freestanding villa. Excellent location, just two minutes walk to shops and beach, this unique apartment features a massive wrap around terrace, providing spaces to entertain your visitors or perhaps as a garden courtyard. There is an oversized separate lockable garage with direct access to the building and lift. Unlike many other apartments this property has no directly adjoining neighbours, having only one common wall to the building entry and this allows great natural ventilation and loads of light! Inspections are recommended and intending villa buyers should consider this property seriously!
